MAGIC MILE PACKAGE (\$500/HOUR)

Our “Magic Mile” package, named after the New Hampshire Motor Speedway located in Loudon, NH, track rental package can accommodate up to 60 drivers per hour. This is a great package that features races scored by fastest lap time, which allows drivers to compare lap times against one another, even if they are not in the same race. A championship race with the top 8 drivers racing against each other for a final “Dash to the Checkered” can be arranged for an additional \$50. This is one final and extra race run at the end of the hour rental and crowns a champion from your event. Trophies can be added with 7 days notice. Professional safety and driver’s meeting included.

SUMMARY:

- Recommended for groups from 15 to 100. (Over 60 drivers will require additional time).
- Great way to celebrate a major event in your company.
- Requires minimal training.
- Maximizes on-track racing time.

INDY PACKAGE (\$895 OR \$1295)

Indianapolis brings chills to those in the racing world. For nearly 100 years, professional racers have taken to Indy for 500 miles in hopes to kiss the famous yard of bricks that makes the Indianapolis Motor Speedway Start/Finish line. While our Indy package does not have you racing for 500 miles, the thrill is all the same. Driver’s will work as a team for either a 30 minute race (\$895) or a full hour race (\$1295) in which teams from 2 to 10 racers will have to trade karts and swap drivers to try to bring the Checkered Flag home first. By the end of this experience, your team will have learned new ways to work together. Win or lose the race, you will all leave champions.

SUMMARY:

- Great for team building.
- Events range from 30 minute to 60 minute team endurance races (2-3 hours of time at our facility).
- Up to 8 teams with up to 10 drivers per team (80 people max) for 60 minute race (5 drivers per team for 30 minute, 40 people max).
- Includes 15 minute practice/qualifying session and trophies for top 3 teams.
- Run by World Karting Association Master Member Tom Prioli.
